# PLNTR

a free customer account with affiliate marketing abilities.

A photograph of a person's hands holding a small white sachet of Rain supplement. The word 'AFFILIATE+' is overlaid in white text with a small plus sign. Below the hands, the words 'program' and 'planting' are overlaid. A white line drawing of a plant with three leaves is also present. The background is a blurred outdoor scene with greenery.

**What Does “PLNTR” Mean?**

At RainPH, we don't just sell seed-based supplements — we cultivate wellness, purpose, and community. Which is why we opted not to call our affiliates "resellers" or "marketers."

We call them **PLNTRs** — because they're the ones who plant the seeds of health, hope, and impact. They are someone who plants seeds that drives **change**.

our **PLNTRs** are sowing the beginnings of a healthier lifestyle — for themselves and others.
